

AMENDMENT TO THE SPECIFICATION:

Please insert the following paragraph after the title on page 1:

This application is a divisional of U.S. Serial No. 10/021,126, filed December 12, 2001, which is a continuation of International Application No. PCT/DK00/00377, filed July 7, 2000, which was published in English as International Publication No. WO 01/03694 and claims the benefit of Danish Patent Application No. PA 1999 00991, filed July 8, 1999. U.S. Serial No. 10/021,126 and International Application No. PCT/DK00/00377 are hereby incorporated by reference.
